Theodore Tobias Green

17th of April 2018 ~ 4th of May 2019

It is with equal parts sadness and joy that we announce the passing of our son, Theodore Tobias, to his eternal reward. Theodore was diagnosed with Trisomy 18 before he was born, and he lived for just over a year with this condition that most doctors still consider "incompatible with life". Theodore was certainly compatible with life, and he touched the lives of countless people during his short time with us. For six weeks, he bravely fought serious viral infections before finally succumbing. Our entire family is saddened by the loss of our beloved son and brother, but we take great comfort in the sure knowledge that, baptized into Christ's friendship, Jesus has delivered him to eternal joy in heaven.

In lieu of flowers, please make a memorial donation to the Support Organization for Trisomy 18, 13 and related disorders (S.O.F.T)
